

**COMMISSION ON ACCREDITATION FOR LAW ENFORCEMENT AGENCIES, INC.**

**PUBLIC SAFETY COMMUNICATIONS ACCREDITATION PROGRAM  
ELIGIBILITY STATEMENT**

Participants in the Communications Accreditation Program must be either (1) law enforcement agencies whose power and authority are established via local or state law; or (2) agencies that provide services directly to, and in support of, a legally constituted public safety agency.

Please complete this form to assist the Commission in determining your agency's eligibility to participate in the Communications Accreditation Program.

The \_\_\_\_\_ is eligible to participate in the Public Safety Communications Accreditation Program because it is:

A law enforcement agency whose power and authority are established via local or state law;

OR

An agency that provides services directly to, and in support of, a legally constituted public safety agency.

**Law Enforcement Agencies**

Cite the Chapter and Section, and quote the relevant language, of the statute that establishes your police powers and authority.

**Support Agencies**

Cite the Chapter and Section, and quote the relevant language, of the statute that establishes your public safety powers and authority OR provide a copy of your Articles of Incorporation, Bylaws, Memoranda of Understanding, or Contracts with public safety agencies to substantiate your role as a direct service-provider for public safety communications.
